

## Nouns

Everything around us has a name. People, animals, places and things have names that we call nouns.

Example: The farmer is in his farm.

Underline the nouns in the paragraph below.

1. Grandpa has a big house. There are mango trees in his garden. One day a monkey climbed up a mango tree. Grandpa clapped his hands. The monkey jumped from one branch to another and then ran away.

2. Tommy is a small pup. He drinks milk from his bowl. On Sunday he found a bone. Tommy dug up the ground under the bushes. He hid his bone in that hole.
