

Nouns

Everything around us has a name. People, animals, places and things have names that we call nouns.

Example: The farmer is in his farm.

Underline the nouns in the paragraph below.

1. Father bear, mother bear and baby bear lived in a little house in the forest. One day a little girl called Goldilocks came to their house. She ate up baby bear's porridge from his little bowl and went off to sleep in his little bed.

2. Once upon a time there was a man called Andro. Andro hid in a cave in the forest. There he saw a lion who had a thorn in his paw. Andro took out the thorn from the lion's paw. From that day the lion and Andro became good friends.
