A **preposition** is a word that links a noun or pronoun to another word in a sentence.

Underline the sixteen prepositions in the paragraph and write them in the space below.

Last Saturday, my mother had a big surprise for my sister and I. We were visiting the amusement park! Excitedly, we packed our lunches and hopped into the car. Mother drove along the freeway and across town toward our destination. Finally, we arrived at the Thrills and Chills Amusement Park. We almost started running in different directions! Mom told us it was important to stay together. We took turns deciding on rides. Fortunately, my favorite ride was right by my sister's favorite rollercoaster. We rode roller coasters, bumper cars and racing boats together. At the end of the day, we were exhausted from all the fun we had. We pretended we were flying over rollercoaster tracks on the way home. I had a wonderful time with my family.
